Nowadays, informatics is one of the compulsory subjects in many large schools in our city. My school is among those that have just equipped with a rather modern computer system. This system consists of 30 machines linked to the internet and run by Window XP. All the students in my school like doing this new object because it has helped us very much in learning other ones, besides English. By using effective devices on the internet on like Google, we can easily find necessary data in time to do a better job in our study.
