

Comparing Numbers

Compare the numbers and write them inside the windows of the sand castle from the greatest to the least value. The first one is done for you.

567, 1087, 823

1087 > 823 > 567

1732, 300, 789

215, 607, 182

1032, 990, 1432

731, 194, 1113, 852, 1095

590, 864, 129, 400, 999
