

Nét số thẳng

The image shows a large grid of graph paper designed for practicing the stroke of the number 1. The grid is composed of 10 columns and 20 rows. Each column contains a vertical line representing the number 1, starting from the top and extending downwards. The lines are evenly spaced across the grid.

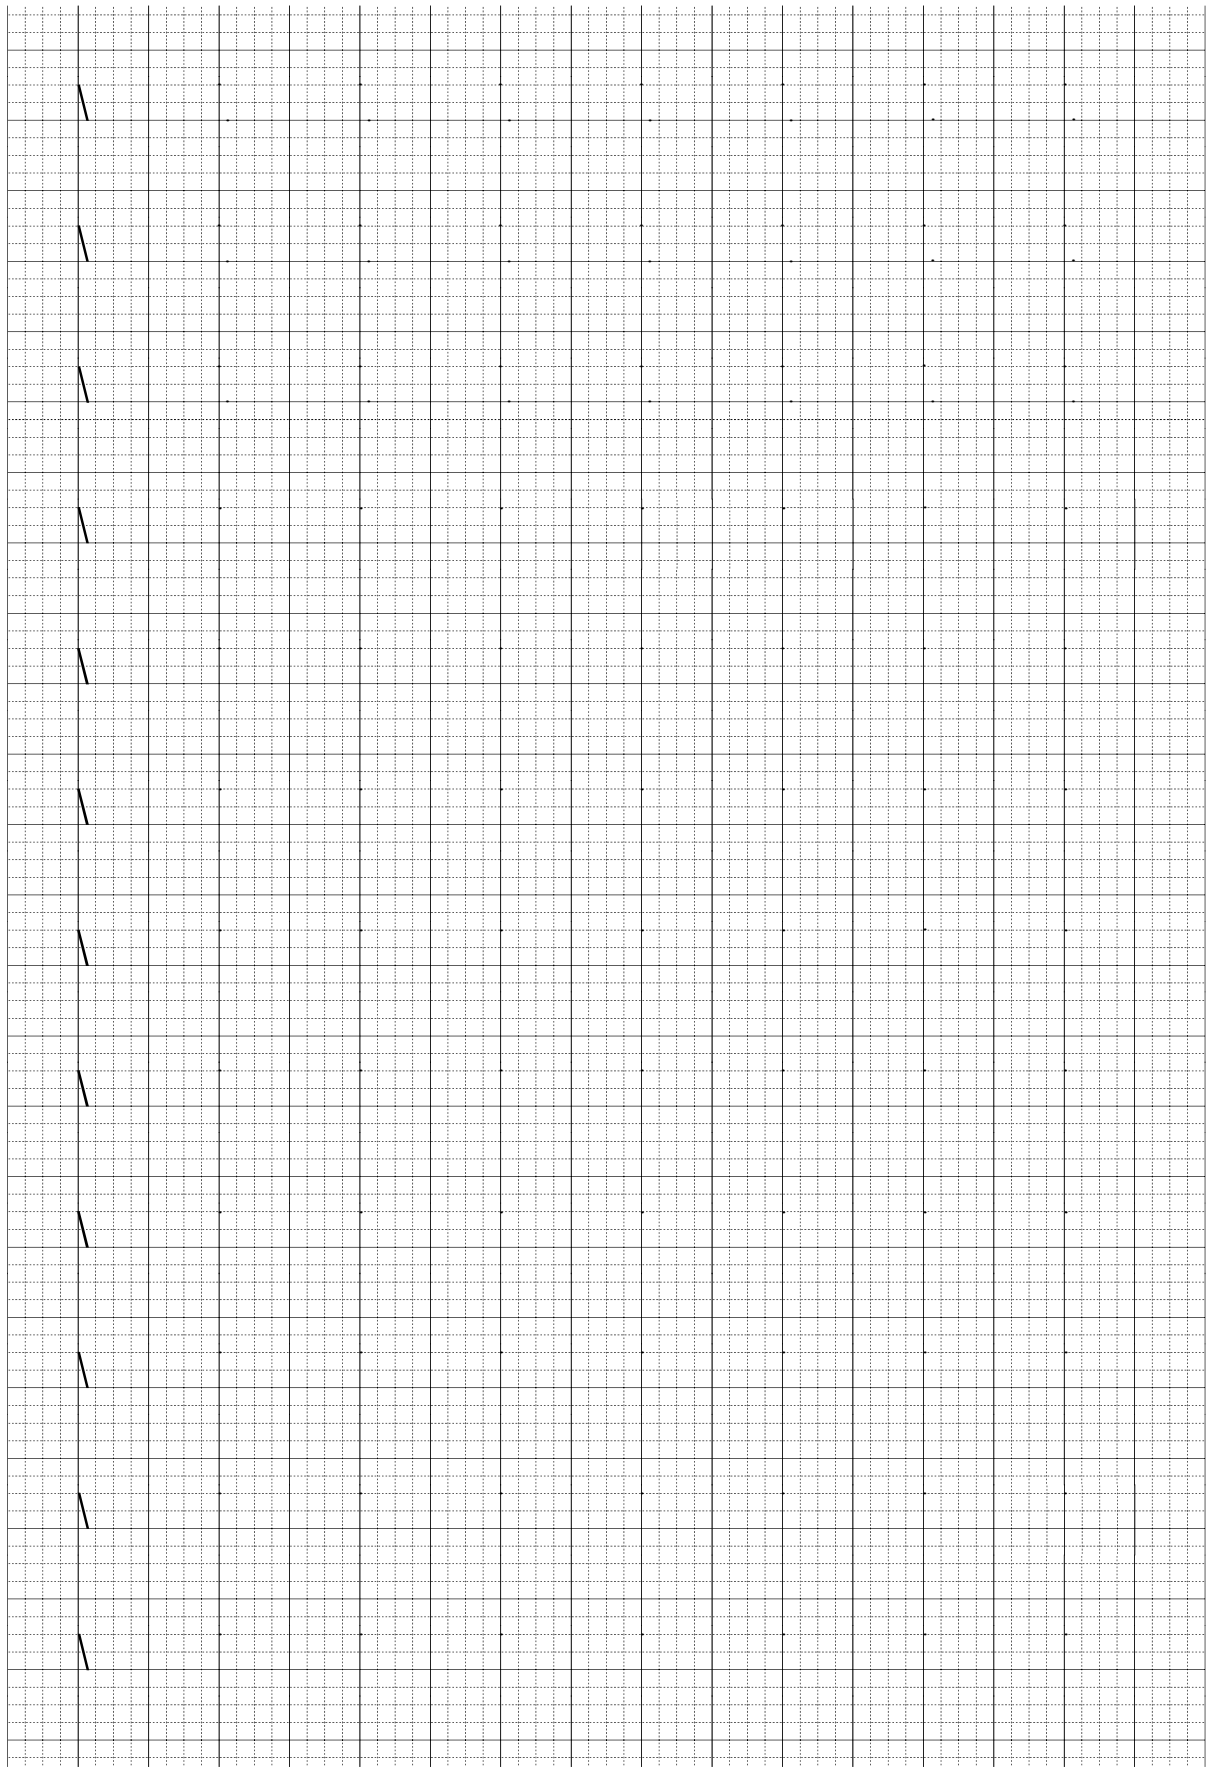

Nét ngang

The page contains a large grid for handwriting practice. The grid is composed of 20 columns and 20 rows. On the left side of the grid, there are 10 horizontal lines, each spanning the width of one column. These lines are positioned at the top of the first, third, fifth, seventh, ninth, eleventh, thirteenth, fifteenth, seventeenth, and nineteenth rows. The rest of the grid is empty, providing space for practicing the horizontal stroke.

Nét xiên trái

The page contains a large grid for handwriting practice. The grid is composed of 15 columns and 20 rows. The first column contains 15 slanted lines, each starting from the top-left and ending at the bottom-right, representing the 'Nét xiên trái' (left slanted stroke). The rest of the grid is empty for practice.

Nét xiên phải

Nét móc trên

The handwriting practice area is a grid with 12 rows and 8 columns. The first three rows are pre-filled with the character 'n' in a dotted format for tracing. Each row contains eight 'n's. The remaining nine rows are left empty, with only a single dotted 'n' at the beginning of each row to guide the student's placement and size.

Nét móc dưới

A large grid for handwriting practice. The grid consists of 10 columns and 20 rows. The first row contains eight cursive lowercase 'l' characters, each with a small arrow indicating the starting point and direction of the stroke. The remaining rows are blank, providing space for students to practice writing the letter.

Nét móc hai đầu

A handwriting practice grid on a grid background. The grid consists of 12 columns and 14 rows. The first row contains eight cursive 'n' characters, each with two hooks, spaced across the first eight columns. The second row contains another eight cursive 'n' characters, each with two hooks, also spaced across the first eight columns. The remaining ten rows (rows 3 through 12) each contain a single cursive 'n' character with two hooks, positioned in the first column of each row. The rest of the grid is empty.
