

Nét cong trái

A large grid for handwriting practice. The grid consists of 14 rows and 8 columns. The first three rows contain dotted cursive letters 'C' for tracing. The first row has 8 'C's, the second row has 8 'C's, and the third row has 8 'C's. The remaining 11 rows (rows 4 through 14) each contain a single solid cursive letter 'C' in the first column, followed by empty space for independent practice.

Nét cong phải

A large grid for handwriting practice. The grid consists of 12 columns and 12 rows. The first row contains eight dotted cursive 'o' characters for tracing, spaced across the first eight columns. The remaining rows (rows 2 through 12) each contain a single dotted cursive 'o' character in the first column, with the rest of the row being empty for independent practice.

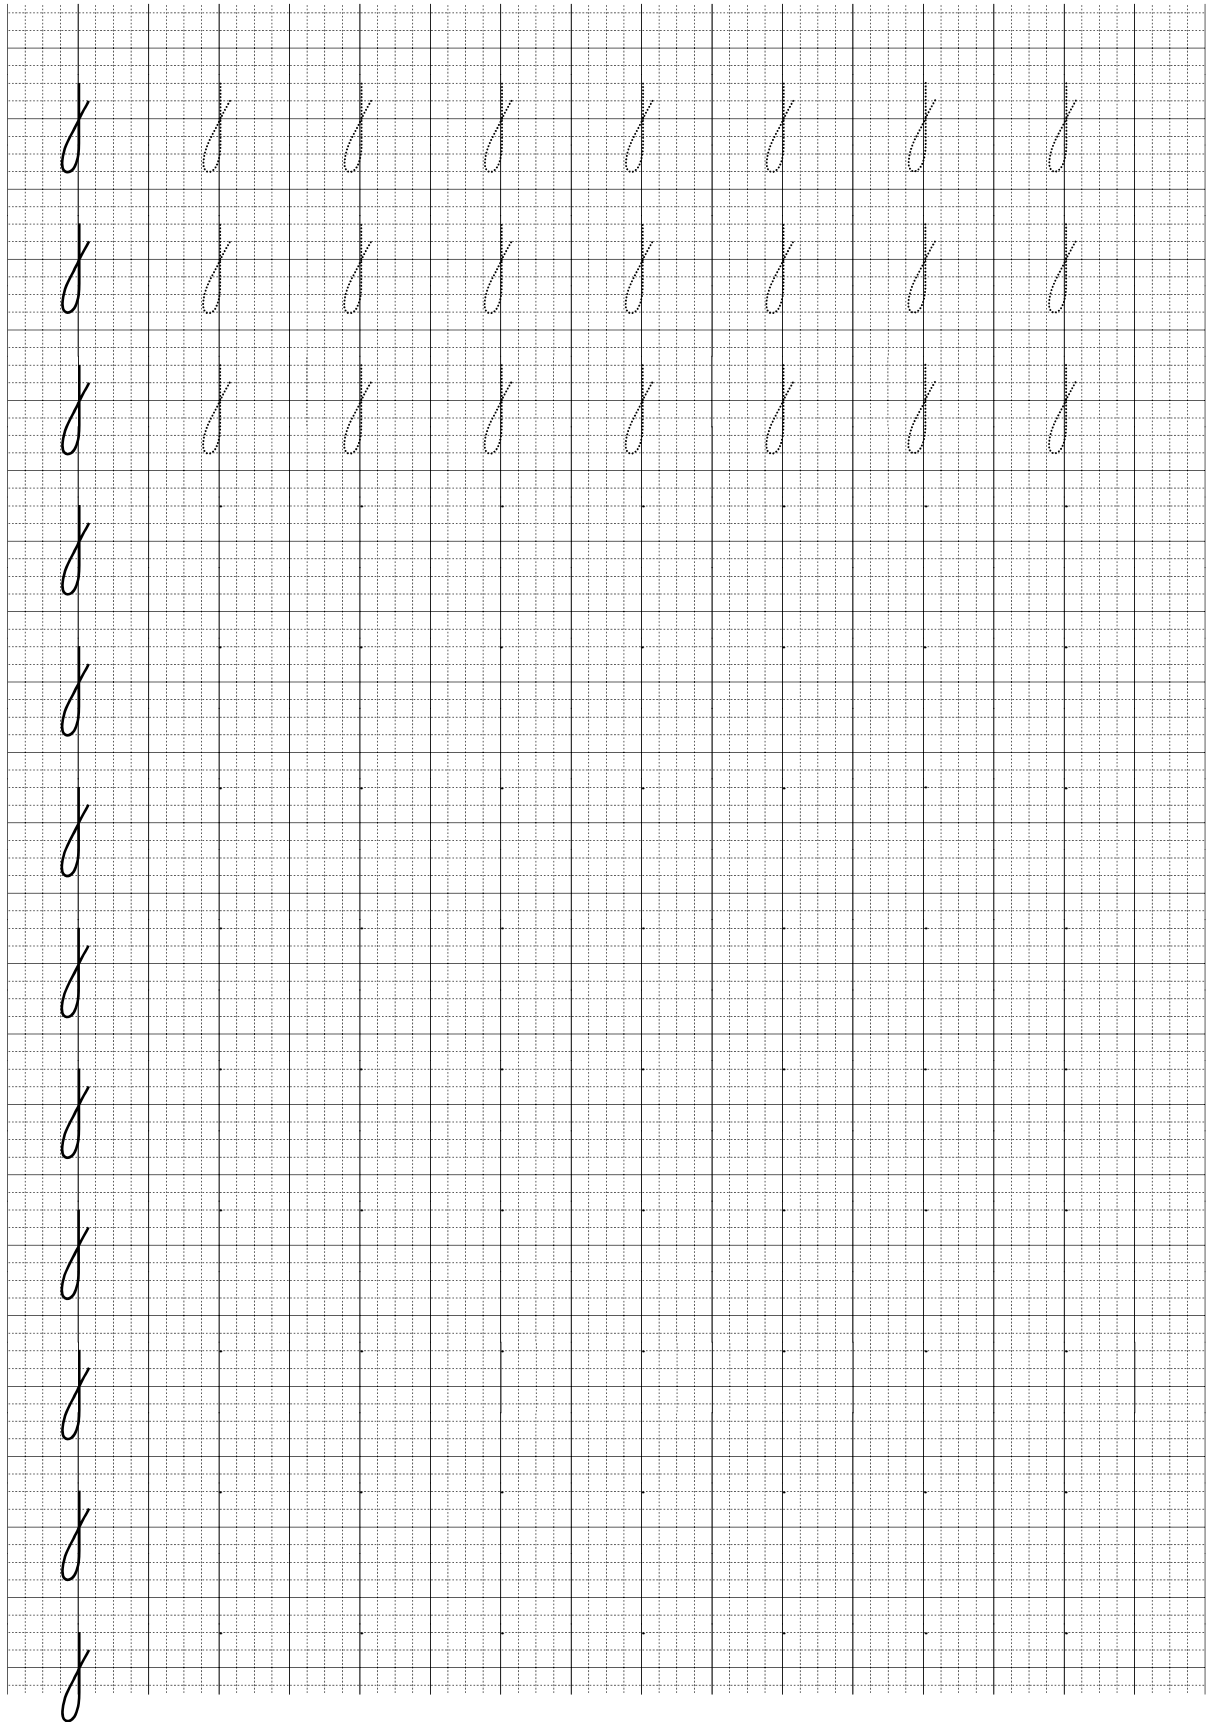

Nét cong kín

Nét khuyết trên

A handwriting practice grid on a four-line background (top solid, middle dashed, bottom dashed, bottom solid). The grid consists of 8 columns and 12 rows. The first three rows each contain eight cursive lowercase 'l' characters, one in each column. The remaining nine rows each contain a single cursive lowercase 'l' character in the first column. Each 'l' character has a small arrow at the top pointing to the right, indicating the starting point and direction of the stroke. The grid is designed to help students practice the consistent formation of the cursive letter 'l'.

Nét khuyết dưới

Nét khuyết kép

Nét thắt

A large grid for handwriting practice. The grid consists of 12 rows and 10 columns. The first three rows each contain eight cursive 'j' characters, one in each of the first eight columns. The remaining nine rows each contain a single cursive 'j' character in the first column, with the rest of the grid being empty for practice.
