20. high / the / is / how / building / highest / the / world / in / ? /

V. Fill in the blank with a suitable word (10 p)

Bears

The bear can a dangerous animal. The adult bear is very strong and it can kill a person. Bears are good at trees and they can run very fast. But they can not see well and most animals, they find food by using noses.

There are seven of bear. The is the white polar bear, which is almost three meters tall. There are two kinds of black bear lives in the forest of North America, and the other lives in South – East Asia. But not black bears are black. They may be dark brown or a reddish brown. Everyone loves the black and white panda bear, which comes from China. Not pandas live in the forest today because is difficult to find food.
